

2023 - 2024

Good day fellow Okanagan Valley Miata Club members.

As a result of the Annual General Meeting held on May 25, 2023, we have a few new Executives to announce. The term for each Executive is two years, with an election each year for about half, with the other half standing for election the following year, so as to provide some continuity year over year. This letter is to introduce your Executive Members elected for the 2023 – 2024 term. They are:

President – Dot Schoneberg - new
Vice President – Caroline Price - new
Treasurer – Karen Engleson - renewed
Event Coordinator – Allen Batchelar - new
Membership – Rolly Grimm
Secretary – Lori Crawford
Past President – Craig Evans

At the June monthly meeting, it was decided to rename our Club meetings to “Club Socials”, with new start times. It was felt that having the updates first and then being able to socialize after would encourage everyone attending to stay longer and get to know each other a little better. The new schedule, with new start times is below.

The Event Committee have worked on making the runs interesting and enjoyable with the variety of locations being planned. Please come out and join us for some fun runs up and down our beautiful valley. If you have had a trip that you think would be enjoyed by other members, please let Allen know, as we are always looking for new places to go.

Another feature available to all Club Members, both new and old, is the ability to get your own Okanagan Valley Miata Club name badges. They are \$11.00 each. If you would like one, email Lori Crawford at lori.crawford@shaw.ca the precise spelling of each name, along with an eTransfer (preferable) of \$11.00 each, and she'll order them and get them to you at either a run you attend, or the next Club Social.

At this time there have been nine new memberships and 44 renewals for a total of 53 memberships. It is great to see both new and old faces at both are runs and meetings.

Remember to check out our website at okmiataclub.com to find out what is happening with our Club.
